Dear Prison to Praise Ministry Team,

Here is my completed lesson Unit 2 - #1 including the memory verse Psalm 119:105.

I've heard Luke 15:11-24 (The Prodigal Son) many times and each time I learn something new. And as you pointed out in your lesson it still has meaning for us today. Thanks for sending it to me.

Your list of work habits (Unit 1 - #3) covers them all and I can see in each one the underlying reasons why people lose their jobs. I told them to a friend here at work because he always has an excuse and he tends to argue a lot -- he's a Christian too. I showed him that right or wrong, employers are not going to keep him if he argues (doesn't get along with others) or constantly has an excuse for his mistakes. This time he was listening.

Can you believe that it's 2010 already? I'll be getting out of here in a little while. Please send me the next lesson.

In God We Trust,

JOHNNY
